ARE YOU PLAYING THE CORRECT SHAFTS IN YOUR CLUBS?

Are they the right length and lie for you? Take all the guess work out and get fit with the Mizuno DNA Shaft Optimizer. In 3 swings, it will give you the best shafts that fit your tempo, speed, and timing. It will also read your lie angle that will help you have a square face at impact and straighter shots. Call the Pro shop to schedule an appointment to get fit!

***Members, please refrain from walking on the course early morning without calling pro shop prior. Mainly due to frost, we are in the process of fertilizing and other various course projects.*

Brian is available for private, semiprivate, group, or team lessons. Please contact him at brian_wilson2014@yahoo.com if you are interested or have any questions or concerns!

For more information on leagues, lessons or general Tennis information please email brian_wilson2014@yahoo.com or membership@woodlandscscc.com.

***If you would like to receive Tennis only specific emails, please contact
Membership@woodlandscscc.com***

To reserve a court time please use woodlandscscc.skedda.com/booking. Please make sure to reserve enough courts for all your players so there will be no interruption of your time on the courts. As we build our programs it is important that we all work together to provide a great experience for our members and their guest. Thank you!

The ball machine is available to rent to Members for \$15 an hour. Please see the front desk of the Pro Shop before hitting the court to play and register any guest you may have. You will receive the key and battery once checked in.

**Please remember if you are a member bringing a guest, there is a guest fee.*

Updates from our Superintendent

Here we are at the end of December and experiencing warmer than normal temperatures... typical South Carolina! We are still battling the falling leaves and Scott is doing his best to keep up with the mulching. Hopefully, the rest will fall in the coming days. We are nearing our 2nd application for the poa annua on the greens. This should help knock it out for good this winter and have us in good shape going into the Spring.

We have a new turf equipment technician starting next week, Ryan Fields. He comes from Lugoff and has extensive experience with equipment and repair maintenance. We look forward to having Ryan join the Woodlands family.

Thank you, **David Peek**
